

NOTICE

Allocation of M-100's, AutoMARKS, and booths for the January 19, 2016 Special Election

Requirement of Public Meeting – R.C. 3501.11 (I) and Directive 2008-64 requires that each board of elections conduct a full vote of the board during public session on the allocation and distribution of voting machines, tabulating equipment and marking devices for each precinct prior to each election day.

The total number of M100s (precinct count optical scanners) for distribution on election day is 6 (3 - 1 M100 for each precinct and 3 extra). Extra M100s will be charged, kept at the Board of Elections, and available for backup deployment.

The total number of AutoMARKS for election day is 3 (1 - 1 per polling location and 2 extra) Extra AutoMARKS will be charged, kept at the Board of Elections, and available for backup deployment.

The total number of 650's (high speed optical scanners) is 6. They will remain at the Board of Elections.

The number of booths for each precinct is 1 per each 100 registered voters, with 4 being the minimum.

The Summit County Board of Elections follows the Secretary of State's guidelines and Ohio Revised Code for allocating voting equipment for each election as described in Directive 2008-64 and O.R.C. 3506.19.

The number of registered voters and voter turnout in each precinct from a similar election may be found on the Summit County Board of Elections website – www.summitcountyboe.com
